

# IGNITING PRAYER'S PASSION & POWER IN US

HEARING THE VOICE OF GOD IN US  
(IN-US-BY-US)

Rev. Dr. Walter M. Brown, Jr.

PASTOR, BETHANY MINISTRIES & SENIOR PASTOR, KINGDOM MINDED ASSOCIATION OF CHURCHES

- ❖ God will speak **in-us-BY-us** and help us to understand that there are specific things we are admonished to do that can only be performed by us.
- ❖ “Now unto Him who is able to do immeasurably more than all we ask or imagine, according to the power that works in us.” Eph 3:20

After reading Chapter Two, Section Three, list several ways in which you believe God has spoken in you BY you. Consider events where God speaking By you made a distinct difference.

- ✦ List and discuss biblical instances where God spoke to believers in them BY them.
- ✦ Consider the following passages:  
Acts 8: 26: Philip and the Eunuch;  
Matthew 3: 13-17: John's baptism of Jesus.

After reading Chapter Two, Section Three, determine how you might better prepare yourself for God's service in this special in-us-By-us way.

- What is your responsibility as you wait to serve?
- If there is inactivity, how do you handle it?
- What about pride? Is it a problem?
- Are there other “voices” that might seek to influence you?
- How do you handle them? How do you distinguish them?

- ❖ Reflect on the reasons you and God are a Team.  
(John 17:21)
- ❖ Consider the responsibilities of both you and God.  
(John 15:1)
- ❖ Think about what happens when one side lets the other down.  
(Genesis 3:17)
- ❖ Remember missed opportunities.  
(Numbers 13)
- ❖ Plan ways to correct them, if you are able.  
(Isaiah 55:6,7)

### Exercise for Chapter Two, Section Three

- ❖ In the source text, the author describes the manner in which he hears the voice of God (See text box below). With this in mind, consider how God might communicate with you.
- ❖ My experience is that receiving a message from the Spirit is akin to receiving a data dump, followed by a complete intuitive understanding. One minute you are unaware, the next minute you have this body of information that seems to have come from nowhere. You simply know and your awareness is incredibly increased. Those that use computers have used this method when transferring files from one drive to another via a program like Windows Explorer.
